

ABOUT INSTITUTE

About our Institute:

Established in 2014 with a view to impart coaching for +2 level & various entrances like AIPMT, AIIMS, JIPMER, JEE (M&A) and State and National Level Examinations. Since then it has been spreading the movement of success. Within a short span of time it has become a popular trustworthy institute among medical aspirants and + 2 level student. In the four years it has produced a record breaking performance which is not within reach for others - This year our institute awaiting for the same.

The Director's Message

Dear Students,

We promise to help you in your journey to achieve your goal. Eklabhya Classes will identify your hidden talents and nourish you in all various entrances like AIPMT, AIIMS, JIPMER, JEE (M&A) and other State and National Level Examinations. Though each and every aspirants aspire does not work in today's cut throat competitive ambience. A selection of appropriate institution for coaching and guidance is a vital task to perform. In Eklabhya we have significant education systems along with panel of experts who plans and acts for intellectual improvement of the pupils. We focus on the skill, tools and methods to sharpen the inner potential to provide maximum result. In our view, preparation for examinations based on three pillars.

i. Concept of Clarity, ii. Contextual Familiarity iii. Application expertise

Our innovative and dedicated teacher ensures that every student gets a firm grip of each of these pillars, very essential for arduous preparations. To ensure a student's success, we have designed our coaching program in a scientific manner that develops both your knowledge and your problem solving ability. We welcome your at Eklabhya Classes, with a belief that you will put your whole hearted efforts to achieve your goal, wishing you the very best for your forthcoming endeavour.

ADVICE TO REMEMBER:

- ➔ Success usually comes to those who are too busy to looking for it.
- ➔ Our success in life is more typically a reflection of how we respond to the things happen to us.
- ➔ Always remember that, success is the sum of small efforts, repeated day in and day out, just don't give up trying to do what you really want to do. Always believe that where there is a will, there is a way.
- ➔ In order to succeed, your, desire for success should be greater than your fear of failure.
- ➔ Always bear in mind that your own resolutions to success is more important than any other thing.
- ➔ You must keep in your mind that opportunities don't happen, you have to create them.
- ➔ Whenever we see a successful person, we only see the public glories, never the private sacrifice to reach them.

"We wish all students success in all their endeavours!"

Best wishes: There is no royal road to success but after success, the road you will follow, that will be royal road.
